Four Seasons Recreation Association Board of Directors Board Meeting Wednesday December 3rd, 2025

Community Discussion

- Walter Shorter had been coordinating with the Herndon police Chief to attend a Joint meeting of both the FSRA and FSHOA. He has agreed to attend the Annual meeting on Jan 14th at 7pm at the clubhouse. He will be open for any questions and suggestions that Four Seasons residents have. Though this is an annual meeting, he will be first to speak before the remainder of official meeting.
- The Board discussed the new speed limit on Herndon Parkway between Summerfield Drive and Van Buren and agreed that the change to 25 MPH will have a positive effect on both pedestrians and minimizing car accidents.
- The Business Director informed the board of a visit from Santa at the clubhouse December 11th and 20th. Everyone is welcome.
- The Holiday Decorating Contest has begun, and board members will be viewing homes from December 21st through the 23rd. Winners will be notified and results posted online and in the Fallout. If a resident has won the contest in the last two years, they are not eligible for this year's contest.
- A board member attended the Town of Herndon Council Working Session this week and mentioned that the town is looking into using a investigative software that will help identify home based business who are not registered.
- A resident presented their plans for home expansion and wanted to make sure the association is aware. A Town of Herndon permit is required for all building improvements, and the association requests the resident fill out an application with the office.

Operational News

- The pool furniture which is normally stored in the garage will be stored under the deck, covered by a tarp. The garage cannot contain all the new furniture. The garage is shared with the Four Seasons Town Home Homeowner's association.
- The sign to the entrance to Autumn Glen has been repaired. Bids are being solicited to install landscaping at the sight. The sign will be installed as soon as possible; weather permitting. The office will be reaching out to our insurance company to contact the insurance company of the person who originally destroyed the sign to see if we can get traction on receiving payment for the damages.
- The Thanksgiving charity event was a great success. Approximately 150 families received a thanksgiving meal. The mayor, several council members, and Fairfax County Superintendent were in attendance. Many thanks to the volunteers who participated.

The board wishes everyone a joyous and happy holiday Season. Stay safe, stay warm, and enjoy these special times with all your friends and family.
